## 24fps Productions completes first season of high definition travel series: Any Given Latitude for the Fine Living TV Network.

NEW YORK, NEW YORK (January 23, 2006) - 24fps Productions, Inc. the award-winning New York City based production company, has completed their premiere season of the thirteen-part series entitled Any Given Latitude, for the FINE LIVING TV NETWORK. The announcement was made by Thomas Strodel, president and CEO of 24fps Productions.

Geared towards travelers that seek a high-end travel experience without sacrificing local flavor and adventure, Any Given Latitude takes viewers to exotic locations that offer all three. A growing trend in travel today is the desire to experience top-notch food and accommodations while not being isolated from unique locations and experiences. Any Given Latitude, hosted by world traveler Joanne Colan, immerses viewers in exotic locales, giving them an understanding of the country, its people, and the adventure travel possible there.

"We explored incredibly beautiful countries, exciting cities, tried all kinds of local recipes and — most important of all — met wonderful people who allowed us unique insight into their way of life." - said Strodel, who produced and directed the series.

"Any Given Latitude was an ambitious undertaking for a production company," said Kent Takano, FINE LIVING's vice president of programming. "24fps Productions delivered a series featuring exotic locations that skillfully blended practical information with fun-to-dream destinations."

The program, conceived by 24fps Productions, began full production in March, 2005. Locations include: Iceland, Belize, Dominican Republic, St. Vincent and the Grenadines, Singapore, Vietnam, Thailand, Puerto Rico, Croatia, Czech Republic, Austria, Portugal, and Curacao.

The series, which premiered in October, can be seen on FINE LIVING Monday through Wednesday nights at 10:30 p.m. ET. For complete programming schedule information, please visit: [www.FineLiving.com](http://www.FineLiving.com).
